

ChemTECH WORLD EXPO 2015

4 Days

8 International
conferences

600 Exhibitors **20** Countries

150 Speakers
of global acclaim

2000 Student Delegates
from all over INDIA

600 Delegates
from Overseas & INDIA

40000 Industry visitors
from INDIA & Overseas

Chemtech FOUNDATION
World Meet of the chemicals, petrochemicals,
pharmaceuticals & process industry in india

ANNOUNCING

CHENNAI-2015

December 10-12, 2015

Venue: TNTPO, Exhibition Ground, Chennai

GUJARAT-2016

January 21-23, 2016

Venue: Ahmedabad, Gujarat

MUMBAI-2017

February 2017

Venue: Bombay convention & Exhibition center,
Goregoan [east], Mumbai, India

Grand Opening of CHEMTECH World Expo 2015 Marks 40 Years of Excellence

- Mr Surjit K Chaudhary, Secretary, C&PC, Ministry of Chemicals & Fertilizers, inaugurates CHEMTECH+EPC+Specialty Chemicals World Expo 2015
- International expos and conferences make major impact with 8 international conferences and 'Student Outreach Program'
- Doyens of industry interact with Secretary during lunch hour in exclusive CEO roundtable
- CHEMTECH presents Hall of Fame to Dr Yusuf K Hamied & Lifetime Achievement Award to Dr Cyrus Poonawalla for their contribution to the global healthcare industry

The 27th edition of CHEMTECH's flagship event witnessed grand opening on

January 28, 2015

at the Bombay Convention and Exhibition Centre in Mumbai.

The Who's Who of the chemicals processing and allied industries

attended the inauguration which had a presence of over

600 exhibitors from more than 20 countries showcasing high-end

process technologies. Mr B Narayan, Group President - Procurement &

Projects, Reliance Industries Ltd, Mr Vipul Shah, COO - Petrochemicals,

Reliance Industries Ltd, Mr Heinz Haller, Executive Vice President,

President Europe Middle East Africa & Chief Commercial Officer, Dow

Chemical; Mr. Martin Laudenbach, President - Asia, Solvay Group; Mr

A K Purwaha, Chairman & Managing Director, Engineers India Ltd, Dr Raman

Ramachandran, Chairman & Managing

(L to R:) Dr Raman Ramachandran; Mr Martin Laudenbach; Mr Heinz Haller; Mr Maulik Jasubhai; Mr Surjit Chaudhary; Mr Vipul Shah; Mr B Narayan; Mr A K Purwaha during the inauguration

Director, BASF India Pvt Ltd and Head of BASF in South Asia addressed the industry at the inauguration.

CHEMTECH organised 8 focused conferences during the 4 days of the event where over 150 speakers deliberated on subjects ranging from EPC, Specialty Chemicals, Refining & Petrochemicals, Industry Automation & Control, Water Management, BioPharma, Pumps Valves and Fittings and Corrosion Control. The discussions during the conferences were in the context of the "Make in India"

(L to R:) Mr Vipul Shah, COO - Petrochemical Division, RIL & Chairman, CAB, Specialty Chemicals World Expo 2015, Mr Martin Laudenbach, President - Asia, Solvay Group, Mr Heinz Haller, Executive VP, President Europe, ME, Africa & Chief Commercial Officer, Dow Chemical, Mr Surjit Chaudhary, Secretary - C&PC, Ministry of Chemicals and Fertilizers, GoI, Mr P D Samudra - MD & Member of the Board, ThyssenKrupp Industrial Solutions (India) Pvt Ltd & Deputy CEO, ThyssenKrupp Industrial Solutions Regional Cluster India during CEO roundtable

campaign and attempted to bring the stakeholders from each of the industries to drive the growth of the Indian manufacturing sector. Four days of event saw strong footfall of visitors from the Indian and international industry.

Student Outreach Program was the show stealer which had a presence of over 1800 students across the Icon Lectures, Panel Discussion, Poster Session, Prototype Competition and Internship Initiative. The student volunteers ran the entire show under the wings of CHEMTECH Foundation.

Over 140 Professionals from User and EPC Service Providers Engage During EPC Conference

- Key executives from top chemical and petrochemical companies i.e., BASF, Dow, RIL, Solvay, EIL attend the inauguration ceremony
- Over 30 presentations by eminent speakers on HSE, Risk Management, Process Equipment, Investment in Downstream Industry, Process Technology, Construction, etc
- Thought-provoking Q&A sessions enthral the audience

(L to R:) Mr P D Samudra - MD & Member of the Board, ThyssenKrupp Industrial Solutions (India) Pvt Ltd & Deputy CEO, ThyssenKrupp Industrial Solutions Regional Cluster India, Mr R K Mehra, ED - Pipelines, BPCL, Mr Anil Joshi, President, GSPC LNG Ltd

- Petrochemical, Reliance Industries Ltd & Chairman, Central Advisory Board, Specialty Chemicals World Expo 2015, Mr Martin Laudenbach, President - Asia, Solvay Group, Mr Heinz Haller, Executive VP, President Europe, ME, Africa & Chief Commercial Officer, Dow Chemical and Dr Raman Ramachandran, CMD, BASF India Limited & Head of BASF in South Asia. Further, several detailed presentations by well-known speakers from engineering fraternity on a number of technical subjects in the following sessions for two days earned immense accolades to the conference.

Chemtech was fortunate to receive support from Mr P D Samudra, Managing Director & Member of the Board, ThyssenKrupp Industrial Solutions (India) Private Limited & Deputy CEO, ThyssenKrupp Industrial Solutions Regional Cluster India, Mr S K Singhal, Executive Director (Material & Contracts), Indian Oil Corporation Ltd, Mr R K Mehra, Executive Director (Pipelines), Bharat Petroleum Corporation Ltd, Mr Jason Cooper, Managing Director, Linde Engineering India Pvt Ltd, Mr K Ravindranath,

Conference on EPC (Engineering, Procurement and Construction) has always been a prime attraction of Chemtech World Expo since its inception, and this year's series was 'no exception.' The inauguration was

adorned with the presence of Mr Surjit Chaudhary, Secretary - Department of Chemicals and Petrochemicals, GoI, Mr B Narayan, Group President - Procurement & Projects, Reliance Industries Ltd & Chairman, Central Advisory Board, ChemTECH - EPC World Expo 2015, Mr Vipul Shah, COO

Trendsetter for Indian Specialty Chemicals Industry

- Mr Vipul Shah, Dr Raman Ramachandran, Mr Nadir Godrej, Mr Frank Lelek, Dr Arup Basu, Mr Sudhir Shenoy, Mr Prakash Raman and many more icons from chemical industry participate in the one-day conference
- Knowledge partner, Tata Strategic Management Group to come up with the white paper to present to the Ministry of Chemicals and Fertilizers

(L to R:) Mr Nadir B Godrej, MD, Godrej Industries Ltd; Mr Vipul Shah, COO - Petrochemicals, RIL & Chairman, Specialty Chemicals World Expo 2015 & Dr Arup Basu, President - New Businesses & Innovations, TCL

The conference organised by CHEMTECH under the chairmanship of Mr Vipul Shah, Chief Operating Officer - Petrochemical Division, RIL, was a manifestation of how a well-orchestrated conference programme can really be a trendsetter for the industry as a whole. This could be elucidated from the response of the participants of the just concluded robust conference on Specialty Chemical. According to the conference Chairman, the specialty conference has indeed set a road map for the 'Make in India' vision of the Prime Minister for the Indian Specialty chemical industry. The conference unfolded with a session on 'Mapping the Specialty Chemical Industry' by Mr Manish Panchal, Practice Head - Lifescience, Chemical & Energy, TATA Strategic Management Group, which set forth the tone of the conference which is Enhancing Competitive Edge in the Indian Specialty Chemical Industry.

Experts from the specialty chemicals industry including Mr Frank Lelek, President, Evonik India, Mr Prakash

Raman, Managing Director, Solvay Specialties India, Mr Sudhir Shenoy, CEO, Dow India, presented diverse view on topics pertaining to the specialty chemical industry Mr Arun David, Chairman Emeritus, Jacob Engineering, shared array of experience related to EPC and his insignia for a robust EPC service in India for the chemical industry that will eventually pave the make in India path for the specialty chemical industry. Dr Vivek V Ranade, Deputy Director and Chair, National Chemicals Laboratories added the dimension of research, already in progress in fine and specialty chemicals.

Dr Sudhir Nambiar, Senior Vice President and Head API R&D, Dr Reddy's Laboratories, chaired the session on End User Perspective, which brought together the opinions of users from the agrochemicals, pharma & lifesciences, food processing industries. Mr Nadir B Godrej, Managing Director, Godrej Industries Ltd and Dr Raman Ramachandran, Chairman & Managing Director, BASF India & Head, South Asia, spoke on the mutual expectations of end users and specialty

Over 140 Professionals...

Executive Vice President & Whole-time Director, L&T Hydrocarbon Engineering Limited, Mr Kevin Shah, Managing Director, Kevin Enterprises Pvt Ltd, Mr Ashish Gharpure, Director - Marketing & Operations, Aker Solutions - Aker Powergas Pvt Ltd, Mr Carl-Anders Lindgren, President and Technical Advisor - TAN Business, Deepak Fertilisers and Petrochemicals Corporation Limited and Mr H V Singh, Head - Group Projects, Aditya Birla Management Corp Pvt Ltd, who navigated all the sessions aptly.

chemicals industry to drive the growth, participated in the discussion.

The session on cluster development remained a central focus of the conference, Dr Arup Basu, President, New Businesses & Innovation Centre, Tata Chemicals Ltd, Mr Tobias Goschiang, Head of Operations, Evonik Methionine SEA Pte Ltd, Evonik shared thier experience in Jurong Island where the company has set up manufacturing operations, along with Mr Amit Chaturvedi, Senior Vice President & Head - Cracker Business at Reliance Industries, who shared his vast experience on clusters.

Mr Vipul Shah, COO - Petrochemicals & Chairman Specialty World Expo 2015 moderated the panel discussion on Enhancing Competitive Advantage of the Indian Specialty Chemical Industry as the CEO's of the top Specialty Chemical Industry express their views to make the concept of 'Make in India' a reality.

WaterEX: A Huge Networking Opportunity for the Users and Service Providers

- Mr Sanwar Lal Jat, inaugurates WaterEX World Expo 2015
- Over 15 eminent speakers interact with the delegates for two days
- Speakers from National Institute of Hydrology, Indian Desalination Association, CRISIL and Central Ground Water Board deliberate over issues pertaining to water resource management

(L to R:) Mr A B Pandya, Chairman, Ministry of Water Resources, Gol & Chairman, CAB, WaterEx Conference 2015, Mr Mahesh Gupta, Chairman, Kent RO Systems Pvt Ltd, Prof Sanwar Lal Jat, Hon'ble Minister Of State, Ministry of Water Resources, River Development & Ganga Rejuvenation, Gol

Chemtech Foundation organised two-day conference on Water with the theme - Water forever, Water for all. The inauguration was attended by both experts from Government of India

and Water Treatment companies including Prof Sanwar Lal Jat, Hon'ble Minister of State for Water Resources, River Development and Ganga Rejuvenation, Government of India & Mr A B Pandya, Chairman, Central Water Commission, Ministry of Water Resources, Government of India & Chairman - WaterEX 2015 CAB, Mr Mahesh Gupta, Chairman, Kent RO Systems Pvt Ltd & Mr Ajay Popat, Director, ION Exchange Waterleau, respectively and International Speaker Mr Georg Zehetner, Deputy Head, Austrian Mission in Delhi. The conference was also fortunate to encompass couple of speakers from municipal corporations who spoke on Water & Waste Water Management in industrial and residential areas. Total four sessions on Water Recycle and Reuse Initiative/Opportunities, Technology in Industrial Water Management, Municipal

Water & Waste Water Treatment & PPP Model for River Management, and Success Stories of Developing Water Technology were organised.

Dr V C Goyal, Head Research, National Institute of Hydrology, Prof (Dr) P K Tewari, Head - Desalination Division, President, Indian Desalination Association, Yardly Thomas, Manager- Urban Team, CRISIL Risk & Infrastructure Solutions Ltd, Dr S Suresh, Scientist, Central Ground Water Board (CGWB), Madhukar Naik, Managing Director, Aquachem Enviro Engineers, Shripad Khataw, Managing Director, SS Techno, Samir Tuli, Managing Director, Paramount Ltd spoke on various subjects.

Upgrading RO Elements in an Ultrapure, Water System, Integrated Water Resources Management, Industrial Recycle & Reuse, Zero Liquid Discharge, Technology Options in Waste Water Treatment in Industries, Success Stories of Artificial Recharge in Jaipur Urban Area, PPP in Urban Water Supply Projects: The Road Ahead, were some of the topics discussed during the different sessions in the conference.

WORLD EXPO 2015
January 28-31, 2015 | Mumbai - India

Over 100 Delegates Attend PVF Conference 2015

- User Industry Interactive Forum attracts maximum participation
- Key pumps & valves manufacturers deliver presentations on subjects of prime importance

The brief but comprehensive one-day workshop on Innovation in pumps & valves was cherished by professionals from pumps and valves industry as the conference allowed them to understand their users' expectations to the tee. The workshop contained detailed session on EPC Expectations for Pumps & Valves Industry which was appreciated by

the manufacturers a lot. The conference started with a User Industry Interactive Forum which was chaired by Mr Arun Dev, Vice President, L&T Valves & Head - Technical Committee, PVF 2015. Two panel discussions on pumps and valves industry were also organised that captivated the audience for the entire day. Speakers from Grundfos Pumps India, Kirloskar Brothers, KSB Pumps, CRI Pumps, LESER GmbH & Co. KG, Forbes Marshall, Bharat

(L to R:) Mr Shirish Sirjoshi, VP, ION Exchange (I) P Ltd, Mr Arun Dev, Vice President, L&T Valves & Head - Technical Committee, CAB, PVF Workshop 2015, Mr Ravi Kumar Mutaka, Manufacturing Head, Chembond Chemicals Ltd, Mr Nalin Kumar, DGM (Rotating Equipments), EIL

Heavy Electricals, Chembond Chemicals Ltd, ION Exchange Waterleau, Engineers India, Aker Powergas, etc, were among the participants.

Pumps, Valves & Fittings
WORLD EXPO 2015
January 28-31, 2015 | Mumbai - India

Dr K Bangarurajan, Deputy Drugs Controller, Inaugurates BioPharma Conference

- Indian success stories inspire the industry professionals, Strong interactive Q&A sessions
- BIRAC supports conference as Innovation Partner, BioRX Advisory as Investment Banking partner
- TSMG, knowledge partner to publish white paper post conference

(L to R:) Dr Goutam Pujari - VP & Head-Global Clinical Research Operations, Glenmark Pharmaceuticals Ltd, Dr Harish Iyer - MD&CEO, Shanta Biotechnics Ltd. & Chairman, CAB, BioPharma World Expo 2015, Dr K Bangarurajan - Deputy Drugs Controller, DDC(I), CDSCO and Mr Manish Panchal - Practice Head - Lifescience, Chemical & Energy, TSMG

(L to R:) Dr Mahesh Bhargat - COO, Shanta Biotechnics Ltd, Dr Kiran Marthak - Global Head - Clinical Development, Lambda Therapeutic Research Ltd, Dr Harish Iyer - MD&CEO, Shanta Biotechnics Ltd & Chairman, CAB, BioPharma World Expo 2015, Dr Jeroze J Dalal - Head of Clinical Operations - India & Pakistan, GlaxoSmithKline Pharmaceuticals Ltd, Ms Nidhi Saxena - Founder & CEO, Zoctr

Dr Bangarurajan during the conference

R&D, Biocon from the biopharma industry outlined the success stories of their organisations on how they had made the global impact in the times of tough regulatory regimes and policy issues.

Second session themed on 'Making India a Hub for Global BioPharma Innovations' noted the pulse of Indian biopharma industry by identifying bottlenecks and finding solutions through discussions with stockholders across the key genres. This session featured experts from diverse domains viz Vishal Gandhi, Managing Partner & CEO, BioRX Venture Advisors Pvt Ltd, Dr Jagadish Mittur, Head, Biotechnology Facilitation Cell (BFC), KBITS, Mr Nitin Deshmukh - Chief Executive Officer, Kotak Private Equity Group, Mr Sujit Thakur, Partner, Jupiter Law Partners and Mr Shiju P V, Partner, India Law.

During the last session which was focused on policy and regulation, BioPharma World Conference was delighted to host industries intelligentsia like Dr Kiran Marthak, Global Head, Clinical Development, Lambda Therapeutic Research Ltd, Dr Jeroze J Dalal, Head of Clinical Operations - India & Pakistan, GlaxoSmithKline Pharmaceuticals Ltd, Ms Nidhi Saxena, Founder & CEO, Zoctr and Dr Mahesh Bhargat, COO, Shanta Biotechnics Ltd. The panelists discussed the need for symbiotic interface between the industry and the policy makers to accelerate the pace of growth of the biotech sector in India.

With a strong delegate turnout and thought provoking sessions on biopharmaceuticals, BioPharma World Conference 2015

turned out to be a big event. The one-day conference themed 'Leveraging Partnerships to Drive the Growth of Indian BioPharma,' was chaired by Dr Harish Iyer, CEO, Shantha Biotech.

In the inaugural session, Dr Harish Iyer emphasised on the role biopharmaceutical industry can play in translating Honorable Prime Minister's vision of 'Make in India' into action. The delegates got an opportunity to explore prevailing trends in global biopharma industry through the keynote address by Manish Panchal, Practice Head -

Lifescience, Chemical & Energy, TATA Strategic Management Group TSMG, which was followed by address by Chief Guest Dr K Bangarurajan, Deputy Drugs Controller, DDC (I), Central Drug Standards Control Organisation, who elucidated on the government initiatives to foster innovation and entrepreneurship in biopharma industry.

During the first session, Mr Ankur Gupta, Business Development Manager, BIRAC, shared the work of BIRAC, which is facilitating the development of new innovations across the biotech sector, followed by individual presentations by visionary leaders viz Dr Harish Iyer, MD & CEO, Shantha Biotech, Dr Sunil Gairol, Director, Quality Control, Serum Institute of India and Dr Ramakrishnan Melarkode, Associate Vice President,

IAC & Refinery World Conference 2015

- More than 130 delegates from Automation, Process, Refining industries and technology provider attended the two-day conferences.
- Refining and Petrochemical Conference showcased latest cutting edge technological advancements from both the refining & petrochemical industries.

(L to R:) Mr K Nandkumar, CMD, Chemtrols Ltd, Mr R K Ghosh, President, RIL, Mr K Govindarajan, CEO Projects, Essar Oil Ltd and Dr Laxmi Narasimhan, GM, Shell Technologies

CHEMTECH Foundation organised Industrial Automation & Refinery World Expo 2015, themed on 'Smart Refining & Automation for Green Future', with the intention of integrating the huge surplus Indian refining capacity with automation to enhance refinery performance in greener way. The inauguration was adorned with the presence of both Refining & Automation Industry luminaries like Mr Rajkumar Ghosh, President, Reliance Industries Ltd, Dr Laxmi Narasimhan, General Manager, Shell Technologies, Mr K Govindarajan, CEO Project, Essar Oil Ltd and Mr K Nandakumar, Chairman and Managing Director, Chemtrols Ltd. The two-day conferences saw various robust presentations by well-known speakers from both automation & refining fraternities which earned immense accolades to the conferences.

Corrosion Mitigation Draws Significant Attention

- Plenary sessions by Dr Baldev Raj, Director, National Institute of Advanced Studies & Dr Prabhat Kumar, Advisor, Bhavini
- Corrosion control experts deliberated on corrosion control technologies during one and a half day conference; Students turn out in huge number to listen to the speakers on corrosion mitigation technologies

CHEMTECH concurrently organised one and half day conference during CHEMTECH World Expo 2014 to create greater awareness on Industrial Significance of Corrosion. Dr Prabhat Kumar, Advisor, Bhavini deliberated on Corrosion in Pressure Vessels and Remedial Methods on first day of conference and Dr Baldev Raj, Director, National Institute of Advanced Studies talked about the advancements in corrosion technologies and interacted with the audience comprising of industry professionals and students.

(L to R:) Mr Kamachi Mudali, Dr Samir Degan, Dr Prabhat Kumar, Mr Maulik Jasubhai during the inauguration of CorrosionTECH World Conference

During the one and half day conference, speakers discussed a range of issues with the delegates and presented interesting and exclusive lectures. The sessions on

Protective Coatings; and Case Studies on Failures Due to Corrosion attracted lot of interest and well attended by user industry. Renowned experts from the field of corrosion prevention including Dr U Kamachi Mudali, Associate Director, IGCAR, Dr Prabhat Kumar, Advisor, BHAVINI, Kalapakkam, Mr Anand Kulkarni, Director, Corrosion Control Services Pvt Ltd, Mr Rajesh Wadhawan, DGM - E&C, BPCL, Mr S Ravichandran, National Business Development Manager, Berger Paints, Dr V S Raja, Professor, IIT Bombay, Mr K B Singh, Independent Consultant participated in the conference.

Student Outreach Program Triumphs

- Over 1800 students from pan India attend the programme
- Industry icons: Dr Raman Ramachandran, Mr V V Surya Rau, Ms Leja Hattiangadi, Mr B Shakar, Mr Frank Lelek, Dr Harish Iyer, Mr Sanjay Joshi , Mr Yatinder Singh Suri interact with the students
- Over 80 student volunteers from college across India to drive the initiative
- Industry academia jury identifies the winners for poster competition and prototype display

(L to R): Mr Yatinder Suri, Country Head, Outokumpu, Ms Leja Hattiangadi, Director - Marketing, Jacobs Engineering, Mr Sanjay Joshi, Country Head and MD, Aker Solutions, Dr Raman Ramachandran, CMD, BASF India & Head, BASF, South Asia, and Mr V V Surya Rau, President, RIL, during Icon Lectures at the Student Outreach Program 2015

Mr Sanjay Joshi, MD, Aker Solutions & Chairman, SOP 2015 and Mr Yatinder Pal Singh Suri, Country Manager, Outokumpu India & Co-Chairman, SOP 2015 along with Mr Sanjeev Nadkarni, Director Engineering, Aker Solutions, drove the whole initiative to further strengthen the student industry interface.

The 2nd edition of Student Outreach Program (SOP) has been a commendable

success at Chemtech World Expo 2015. This edition was much larger than the previous one with 5 events taking place on January 29 & 30. On January 29, Icon Lectures were held in the morning session while the post lunch session had a panel discussion and both were based on the theme of SOP – Inspiring Leadership, Igniting Innovation. The event saw some of the biggest names in the specialty

Students (on left) and dignitaries (on right) look on as Industry Leaders address the gathering during SOP 2015

chemical, EPC and allied industries and had a participation of approximately 1800 students. The two competitions held during SOP were the Prototype Exhibition and Poster Presentation Competition. The Internship Initiative outside college campuses - the first of its kind was extremely gratifying.

Doyens of the industry interacted with the students directly during the icon lectures to share the scope of opportunities in the chemical industry and inspire them to take careers in this field. Dr Raman Ramachandran, CMD, BASF India & Head, BASF, South Asia, Mr V V Surya Rau, President, Reliance Industries and Ms Leja Hattiangadi, Director - Marketing, Jacobs Engineering, were among the guests. Mr Saanwar Lal Jat, Minister of State for Water Resources, Ganga Rejuvenation and River Development, Government of India also briefly attended the programme and addressed the students.

Dr Harish Iyer, Managing Director, Shantha Biotech Ltd shared his thoughts on leadership and innovation and how engineering is an all-encompassing field and that students have to be receptive to new ideas and technologies. Mr Maulik Jasubhai, Vice-Chairman and Chief Executive, CHEMTECH Foundation and Jasubhai Group concluded the programme and hoped to make it an even bigger one in its next edition.

The second day comprised of the judging for the prototype and poster competition by the jury comprising of professionals from the academia and industry which had a phenomenal participation of students with more than 90 posters and 24 prototypes. The programme concluded with a prize distribution ceremony to the winners of competition.
